Vee Technologies

A leading consulting services organization that delivers a suite of technology-enabled solutions to produce extraordinary outcomes.

Our Mission: To Globalize Success to Make Lives Better

We Are Vee Technologies

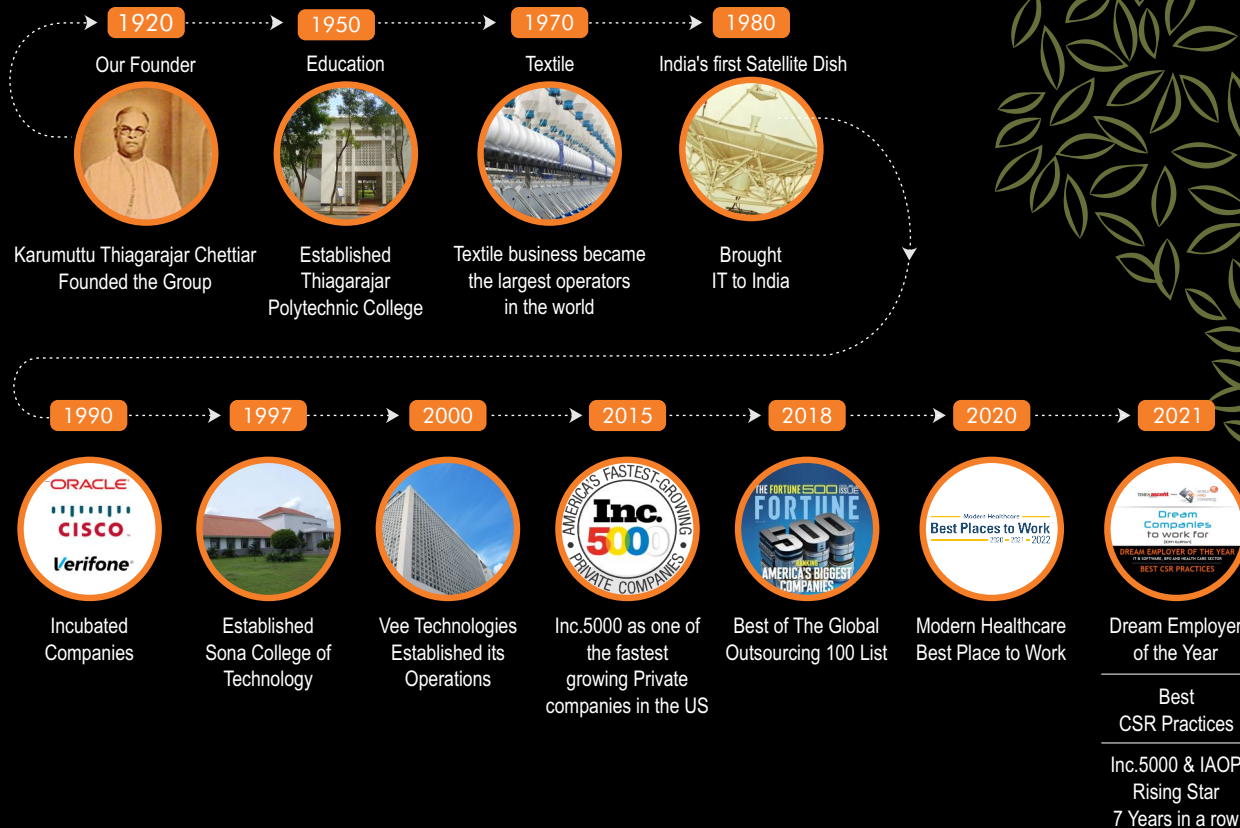

Vee Technologies is a leading advisory & consulting organization headquartered in New York City and Bangalore. We work as a trusted partner to businesses and organizations around the world, ranging from Fortune 500 firms to mid-size companies.

Our solutions enable businesses of all sizes to achieve extraordinary outcomes in quality and cost. We support organizations across a wide range of industries, helping them optimize operating expenses, build value and achieve their most critical business objectives faster, and more efficiently.

With a powerful blend of people, processes and groundbreaking technology-enabled solutions, we work to streamline operations, increase cash flow, reduce costs and maximize compliance while giving you an edge over the competition. Our cutting-edge process and technology-driven services encompass healthcare, engineering, information technology, logistics, media, finance and accounting, legal process outsourcing and e-governance.

Our History

We are proud to be a part of the Sona Valliappa Group, a family-owned business founded in the 1920s and now proudly run by the 4th generation of entrepreneurs. The group is renowned for their philanthropical efforts, which includes the Sona College of Technology. We draw our strength by recruiting the brightest and the best from a talent pool of over 10,000 students including MBA and Ph.D. candidates, ensuring access to top talent and providing a training ground to test many of our internal processes before setting them into a production environment at Vee Technologies.

A Recognized Industry Leader

With an undying desire to continuously meet and improve upon the services that we offer, Vee Technologies is committed to providing industry-best solutions to our clients and their customers. To that end, we take great strides to pinpoint operational nuances and improve efficiency and accuracy internally as well as within the operational workflow that we provide to our clients. Client satisfaction achievements have consistently qualified Vee Technologies for the IAOP Global Outsourcing 100 list of the world's top outsourcing service providers and powered the company's growth onto the Inc. 5000 list as one of the fastest growing American companies.

- Named to the IAOP Global Outsourcing Top 100 List of the world's best outsourcing service providers in 2016, 2017, & 2018. Featured in the "Best of The Global Outsourcing 100 List" in 2019 as a top-performing services firm for the last 10 years
- Recognized as one of the 5,000 fastest growing American companies by Inc. 5000 in 2015, 2016, 2017, 2018, 2019 & 2020

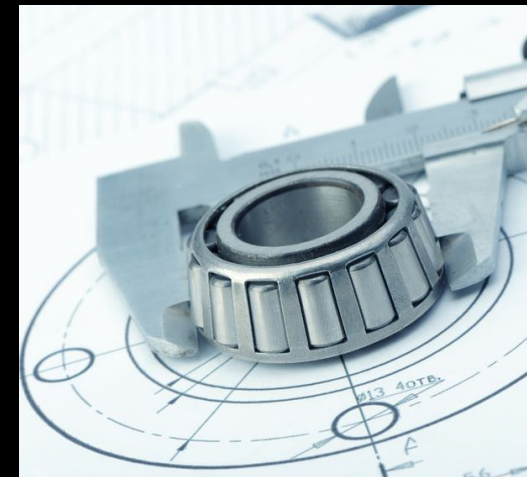

A Trusted Partner

As part of a group that has been in existence for four generations, Vee Technologies believes in building long-term partnerships with each and every client. This ideology is clearly reflected in Vee Technologies client base. We have been working with nearly all of our clients for several years – and some since the beginning in 2000. We are proud of the multitude of successfully renewed contracts signed each year. Clients place trust and confidence in our relationship and their satisfaction is our greatest reward.

In order to bring true value and benefit to each client, we become an extended arm to the client and a true partner. This creates a solid foundation and win-win combination for an enduring long-term strategy as a mutually beneficial business partnership.
